### DR. BOYD BACK FROM EUROPE.

Special instructions taken in U.S. and European Schools of Medicine Newest and Best Treatment, Lowe-t

For years we have successfully treated bronic and Special Diseases, curing where hers have falled. New, Reliable and Skill-

Diseases

of

Women, we want you to know where you can be curel. We ask you to investigate our new American and European methods of treatment, if you are a chronio invalid and almost disheart-cut by the failure of others come and see what we can do for you. Hiscases peculiar to women is our stronghold in these cases we claim unprecedented success. Trouble and expense

to women is our stronghold in these cases we ciaim unprecedented success. Trouble and expense have not been considered in making this brunch of our specialities a crowning success. Europe and the United States joins and concentrates the best results of both countries in the marvelons cures performed. In this respect our institute is a peer to any in the west. We cure Storility, Dysmenorrhoea, Proulapsus, Leucorrhoea (whites) Ulcerations, Falling of the Womb, Fainful Menstruation, Amenorrhoea, Menorrhagia, Symptoms due to Change of Life.

Syphilis in all its forms speed dily cured; we eradicate this loathsome diseases without poisoning your system with mercury. We can cure you safely. Skin and Blood disorders—Ulcers Sores, Piles, Pistula, and all private diseases such as Gonorrhoea, Gleet, Atrophy and all diseases of the Generative System permanently cured.

Children Cry for Pitcher's Castoria. GREAT FAIRS OF THE WORLD.

THE first great international exposition was held in London in 1851. It all diseases of the lasted 144 days; the buildings and rectum without grounds covered twenty one grounds covered twenty-one acres; there were 17,000 exhibitors and 6,009,-195 visitors-41,933 daily. The receipts were \$2,530,000 and the expenses \$1,-460,000.

In 1855 the second world's fair was Private Diseas-es in both sexes quickly and radical by cured in the apd 6 102 000 visitors—25 811 daily and 6 102,000 visitors-25,811 daily. The cost is conjecturally stated at \$1,-700,000; the receipts were \$1,280,000.

THE third great exposition was held in London in 1862. It continued 171 days and covered twenty-three and one-half acres of ground. There were 28,653 exhibitors and 6,211,103 visitors, a daily average of \$6,325. It cost \$2,-Office open from 8 o'clock s. m., until 7 \$00,000 and the receipts were \$2,040,000. THE fourth world's fair was in Paris

in 1867. It covered thirty-seven acres and continued 217 days. The exhibitors numbered 50,286 and the visitors 10,200,000-47,470 daily. The cost was \$4,000,000; the receipts were \$2,100,000. THE fifth great world's fair was in Vienna in 1873. The buildings covered forty acres, and were occupied by 42,-

admissions during 186 days, an average of 39,008 per day. The cost was \$1,100,-000; the receipts were \$1,030,000. THE Philadelphia exposition of 1876 was the sixth great display. The buildings covered sixty acres; there were 60,000 exhibitors and 9,910,996 admissions, a daily average of 62,323.

The cost is stated at \$8,500,000; the receipts are said to have been \$3,500,000. THE seventh international fair was in Paris in 1878. The buildings covered sixty acres and the exhibitors numbered 32,000. There were 13,000, 000 admissions during 194 days, a daily average of 67,010. The official report makes no mention of cost or expenses, though it is believed the enterprise did

not pay. THE eighth big fair was at Paris in 1889. The buildings covered seventyfive acres and were occupied by 60,000 exhibitors. The exposition remained open 183 days and was attended by the astounding number of 39,854,111, a daily average of 181,170. The cost was \$11,-000,000; the receipts were \$8,380,000.

#### CROWNED HEADS.

The king of Siam wears a gemstudded gold hat weighing twenty-

seven pounds. PRINCE WALDEMAR, of Prussia, the only son of Emperor William's sailor brother, Prince Henry, is deaf and dumb, a fact of which scarcely anyone ontside of court circles is aware.

PRINCE DAMRONG, of the royal house of Siam, signed the notification to France of the acceptance of her ultimatum. Judging by his name, the prince appears to have got on the wrong side.

KING CARLOS, of Portugal, leaped from his carriage the other day to interfere with a fight and prevent a probable murder. His majesty overpowered the stronger party and turned him over to the police.

THE king and queen of Greece live in very simple style, cheerfully adapting their expenses to the impecunious plight of the country, and his majesty "boards the train" when wants to run down to the port of Athens.

### MEDICAL SCIENCE.

Dr. ERNEST HART, of the British

In every country consumption kills more victims than any other one disease.

Medical Journal, declares that cholera will become extinct in the next thirty years, because of the rapid advance of sanitary science. DR. TOMAZOLI, a noted Russian phy-

sician, is about to make public what he claims to be a positive cure for leprosy. The chief ingredient in the remedy is a whey obtained from sheep.

THE British Medical Journal states that Sir Lister has returned to the use of carbolic acid for antiseptic purposes in the strength of 1.20, believing it to be germicidal to most of the patho-

genie micro-organisms. DR. GALIFFE reports to the French Academy of Sciences, after eightyears investigation, that all stones, such as gravel, found in the human body are produced by microbes. Microbes are the authors of that chemical decomposition which results in calcareous

deposits. He-What proof have I that you really love me

She-Proof! Did I not dance with you at the Astorbilt ball? "Yes, but I don't consider that any proof of affection." "You would if you knew how badly

you dance."-N. Y. Weekly. Would Not Be Noticed. Applicant-Yes, madam, I wish to secure board, but I must inform you that I am a vegetarian, madam.

Mrs. Slimdlet-Oh, that will be all right. You will not be expected to eat the meat. None of the others ever do. The best builders use only the best materials—

lumber, brick, lime, cement, sandwhatever goes into the construction of a building; they employ only the best workmen and pay the best wages; they get better prices for their work than their less careful competitors, and always get the best contracts; they paint their work with

#### Strictly Pure White Lead manufactured by the "Old Dutch Pro-

cess" of slow corresion, and with one of the following standard brands: "Collier," "Red Seal," "Southern"

For colors they use the National Lead Company's Pure White Lead Tinting Colors. These colors are sold in small cans, each being sufficient to tint twenty-five pounds of Strictly Pure White Lead the desired shade These brands of Strictly Pure White Lead and National Lead Co.'s Tinting Colors, are for sale by the most reliable dealers in paints averagely are. If you are going to paint, it will pay you to send to us for a book coath. In a information that may say you many a dollar, it will only coat you a postal care to do us.

NATIONAL LEAD CO., 1 Breedway, New York St. Louis Branch, Clark Avenue and Tenth Street.

FOREIGN GOSSIP.

THE total amount of bog land in Ireland is 2,830,000 acres. The average depth of an Irish bog is twenty-six

London street, called by Dickens, from its shops for old clothes, "the burial place of the fashions." It is now Dud-

THEY had hot weather at times in the good old days. At Bologna, in 1778, the heat was so excessive that many people were stifled, and in 1793 the heat dried up the fruit on the trees.

There are no native kangaroos except on the continent of Australia. That country contains about 11,000,000 of them. Over 1,000,000 skins are shipped to the United States for use in bootmaking. Each skin will make about four pairs of ordinary sized

In the West Indies the fireflies are very large and are frequently caught and confined in netting for personal ornaments. A lady will sometimes appear in a ballroom with red, green, yellow and blue lights on her head and shoulders, the tiny illuminations being caused by captured insects.

Tms year is the century of the death of John Hunter, the father of English 000 exhibitors. There were 7,254,687 surgeons and the founder of scientific surgery. It was a pupil of Hunter's Edward Jenner, who in 1796, after great opposition, introduced the practice of vaccination into the London hospitals, whence it spread all over the

#### THE WORLD'S AGRICULTURE.

THE Florida orange crop is unusually good this year, and at least four million boxes will be marketed.

It is estimated that the melon crop of Georgia this year is worth nearly a quarter of a million dollars to the farmers and about a hundred thousand dollars to the railroads in the state.

CHILI is the most prosperous agri-cultural country of South America. There are 7,010,000 acres under cultivation, of which 1,100,000 are irrigated. For many years the product has averaged 450,000 tons of wheat and 150,000

of other grains. ONE of the most productive sections of the world is the Russian province of Bessarabia, taken from Turkey in 1878. Its vineyards often yield three hundred gallons of wine per acre; the average yield of wheat is thirty-five bushels

and of maize sixty bushels. THE grasshoppers have made a raid on the Choccolocco valley, Ala., and are destroying the crops. The farm of Captain T. G. Bush was attacked, and a three-acre field of clover was completely eaten up in twenty-four hours. Not a trace of vegetation could be seen. Scores of men are working to

#### get rid of the pests. PEOPLE OF PROMINENCE.

G. A. SALA and Mr. Gladstone are said to be the only two men in Great Britain who can speak Italian without a trace of accent.

PHILADELPHIA has furnished three "fathers of the house"-William D. Kelley, Samuel J. Randall and Charles O'Neill-in succession. LIEUT, PRARY has only his own per versity to blame for the trouble he has

been experiencing. He would make thirteen persons the number of his expedition and he would start it on Fri-HERR DOPPPELD, director of the German Archaeological institute at Athens, is convinced that his excavations at Issarlik have unearthed the actual
